

## Electronic Do Not Disturb RMP Systems

We manufacture an electronic “Do Not Disturb System” replacing the old doorknob hanger sign. We are sure you will be impressed with our products; you will also see a ROI (return on your investment).

Many well known hotels and casinos use the system today, such as **Mandalay Bay, MGM, Disney, Grand Hyatt’s, The Palms and Harrah’s**. They are impressed with the increased maintenance and housekeeping efficiency, and the enhanced guest satisfaction.

### Some of our features are:

- Custom ADA Room number signs interfacing indicators;
- Do Not Disturb and Housekeeping;
- Doorbell system;
- Room Occupancy status indicator;
- PDA room data and maintenance features;
- Room Ready notification;
- Tracking features such as food service tray tracking;
- ADA room system interface;
- Computer network interface with Housekeeping and Maintenance software;
- Intercom to room phone system;
- Mini Bar usage;
- Exit night light;
- Icon based symbols for ease of use;

Also for additional information as well as a n interactive demonstration, please visit our web site. We would gladly accommodate you on a more personal presentation.

I look forward to the opportunity of being able to work with you and your staff; you will find our customer service and support to be outstanding.

| System I  | System II  | System III   |
